

13 – Conferência na AAPA – American Association of Port Authorities, fevereiro 2005, em Miami / ESTADOS UNIDOS

Latin American & Caribbean Executive Management Conference

February 2-4, 2005
Miami, FL

REGISTRATION OPTIONS

[Back to Seminar Schedule](#)

Registration Fee: \$660 members; \$775 non-members

This two-and-one-half-day conference will focus on the key issues of relevance to port professionals in the Caribbean and Latin America. Topics may include port security, privatization, updates on the Panama Canal, and port operating strategies. A significant portion of the program will focus on dredging and navigation issues, and will be presented in conjunction with the International Navigation Association (PIANC).
